OUR PURPOSE AT COASTLAND

A deep faith in God is the cornerstone of Coastland University. We believe that no education is complete until a student understands who God is and how we relate to Him through His Son, Jesus Christ. This belief influences all that we do and teach. As evangelical Christians, we seek to follow a lifestyle that is a reflection of our commitment to Jesus Christ as Lord and Savior and includes the incorporation of principles for living found in His Inspired Word, the Bible.

Evangelical Christians are guided by Scripture, standards of health, moral integrity, social consciousness, and effective Christian witness. Therefore, all faculty, staff, and students are required to adhere to a personal lifestyle that reflects the concerns of the evangelical Christian community. These standards include refraining from immorality and the use of illegal drugs.

Coastland University seeks students who profess a vital Christian experience that is causing growth in their Christian faith. The university admits students who are most likely to profit from Coastland’s distinctly Christian emphasis and who are compatible with the standards of Coastland University as outlined in the college catalog and student handbook.

Please read our Statement of faith at the end of this application. Then check both boxes if you are in agreement.

☐ I have read the statement of faith and the above purpose statement and I agree and will live by these standards of faith.

☐ I am willing to abide by the community life expectations.

A Message from the President…

It is our mission to educate and disciple individuals who are called into ministry or who want to study the Word of God in a way to understand the deep truths contained there in. Further, our campus is a grace filled and loving environment where spiritual growth is more important that academic rhetoric. We are called to help you find out what God is calling you to do and assist you on your path to fulfill that call.

“My philosophy of Christian Education? Well, it is not based upon individualism without regard of others, intellectualism as an end in itself, technology as the apex of human achievement, humanistic ideals or evolutionary thought as reasons for existence (which degrades individuals to simple animals rather than beings created in the image of God). It is not modernism or even postmodernism - it is not relativism or humanism - and its agenda does not fit into the ‘New World Order’ apriori which many educators are basing their teaching on today.

Christian Education is based upon sound Biblical truths and develops the whole person. It utilizes the three methods we all use to acquire knowledge and grow in wisdom and character - those being; our reason, our senses, and our beliefs or faith. Christian Education brings this trinity of discovery into sync and causes the student to be nurtured into maturity of faith built upon rational knowledge in an interactive and experiential environment. Ultimately, Christian Education is based on reverence for God which is the beginning of wisdom, loyalty to the standards of the Christian faith, and love for God and others. This naturally leads to a deeper understanding of spiritual laws and theological concepts as well as physical laws. Language, thought, mathematics, science, human dynamics, and even world history all point to a divine creator and absolute truth. My Philosophy of Christian Education can be summarized as a dynamic process that reconciles the students to God by helping them understand His creation, by the power of the Holy Spirit and the example of our Master and Teacher, Jesus Christ.

I hope and pray that you stop whatever you are doing, pray, and listen for God to direct you. If you end up enrolling in Coastland University for one class or a full load, I can assure you that you will be nurtured, in the love of Christ, taught sound doctrine from the Bible, and encouraged to step out in faith and do what God is calling you to do. I’m at your service in Christ,

Pastor Brett Peterson.

Statement of Faith

Here we stand...

There are many fine religions and philosophies, but they will not save mankind. Jesus is the only way to reach God. He is the Messiah spoken of in the Old Testament. He is the only savior of mankind.

We teach the full council of God's Word and believe every truth is essential to the spiritual health of individuals and Fellowships.

We believe that God is unchanging, as scripture states, "...the same yesterday, today, and forever."

The sole basis of our beliefs is the Bible, God's written Word, the 66 books of the Old and New Testaments. We believe that it was uniquely, verbally and fully inspired by the Holy Spirit and God's complete revelation to mankind. It is the supreme and final authority in all matters on which it speaks, both for faith and practice.

We are not against denominations, but we are against the modern divisions that have split the church because of denominations. We accept those areas of doctrinal teaching on which, historically, there has been general agreement among all true Christians. We believe there should be unity in the church, but no compromise on doctrinal truth.

1. There is one true God, eternally existing in three persons - Father, Son, and Holy Spirit - each of whom possesses equally all the attributes of Deity and the characteristics of personality.

2. Jesus Christ is God, the living Word, who became flesh through His miraculous conception by the Holy Spirit and His virgin birth. Hence, He is perfect Deity and true humanity united in one person forever.

3. He lived a sinless life and voluntarily atoned for the sins of men by dying on the cross as their substitute, thus satisfying divine justice and accomplishing salvation for all who trust in Him alone.
4. He rose from the dead in the same body, though glorified, in which He lived and died.

5. He ascended bodily into heaven and sat down at the right hand of God the Father, where He, the only mediator between God and man, continually makes intercession for His own.

6. Man was originally created in the image of God. He sinned by disobeying God; thus, he was alienated from his Creator. That historic fall brought all mankind under divine condemnation.

7. Man's nature is corrupted, and he is thus totally unable to please God. Every man is in need of regeneration and renewal by the Holy Spirit.

8. The salvation of man is wholly a work of God's free grace and is not the work, in whole or in part, of human works or goodness or religious ceremony. God imputes His righteousness to those who put their faith in Christ alone for their salvation, and thereby justified them in His sight.

9. It is the privilege of all who are born again of the Spirit to be assured of their salvation from the very moment in which they trust Christ as their Savior. This assurance is not based upon any kind of human merit, but is produced by the witness of the Holy Spirit, who confirms in the believer the testimony of God in His written word.

10. The Holy Spirit has come into the world to reveal and glorify Christ and to apply the saving work of Christ to men. He convicts and draws sinners to Christ, imparts new life to them, continually indwells them from the moment of spiritual birth and seals them until the day of redemption. He enlightens the Bible to those who read it in faith.

He empowers believers and bestows gifts on them through the laying on of hands and/or the Baptism given to all who ask, for the purpose of becoming active in the service of Jesus Christ as 'royal priests'. His fullness, power and control are appropriated in the believer's life by faith, daily indwelling and filling us.

11. Every believer is called to live so in the power of the indwelling Spirit that he will not fulfill the lust of the flesh but will bear fruit to the glory of God. Sin should be a stumbling in our walk, not a way of life or a practice. We are to pursue purity and holiness in our individual lives.
12. Jesus Christ is the Head of the Church, His Body, which is composed of all men, living and dead, who have been joined to Him through saving faith.

13. God admonishes His people to assemble together regularly for worship, for participation in ordinances, for edification through the Scriptures and for mutual encouragement.

14. At physical death the believer enters immediately into eternal, conscious fellowship with the Lord and awaits the resurrection of his body to everlasting glory and blessing.

15. At physical death the unbeliever enters immediately into eternal, conscious separation from the Lord and awaits the resurrection of his body to everlasting judgment.

16. Jesus Christ will come again to the earth - personally, visibly and bodily - to consummate history and the eternal plan of God. He will rapture the Church prior to the wrath that will come during the 70th week of Daniel. At the end of the 70th week He will come, with His Church, to establish His kingdom on earth.

17. The Lord Jesus Christ commanded all believers to proclaim the gospel throughout the world and to disciple men of every nation. The fulfillment of that Great Commission requires that all worldly and personal ambitions be subordinated to a total commitment to "Him who loved us and gave Himself for us."

18. The Vision of Coastland University is to empower and support individuals, Churches, and families to grow in their knowledge of Biblical and Theological truth to make them more effective in reaching the lost with the Gospel of Jesus Christ. We see a campus that is committed to being a light to the world. We see our University as one that encourages people in the faith. Our purpose is to glorify God, teach the Word of God, lift up the name of Jesus, build up the Body of Christ, and to compel others to find true life in Christ.
